Gamco Corporation Ranked For Third Year Amongst Top Metal Companies Nationally

*-Queens, NY Fenestration and Metal Specialty Manufacturer
Included in Glass Magazine's 2015 Annual List-*

FLUSHING, NY, January 22, 2016 – For the third year in a row, New York City-based Gamco Corporation, a leading regional manufacturer of specialty fenestration products and architectural metals, received notable national industry recognition. National trade periodical Glass Magazine has included Gamco in its 2015 list of Top Metal Companies, based on annual sales volume.

Gamco Corporation continues to expand its product lines. In addition to curtain wall, storefront and entranceway systems, and commercial windows, Gamco offers custom structural skylights, folding window/wall systems, railings, sun-control products, architectural metals and its newest product, frameless shower enclosures and sliding shower doors.

Gamco is the architectural metal and fenestration supplier for a number of notable and award-winning projects throughout the New York Metro Area, including Terminal B at Newark Liberty International Airport, The Barclays Center, new luxury residential developments on Long Island, and many nationally known franchises and retail stores.

The 2015 Annual List of Top Metal Companies was published in the November 2015 edition of Glass Magazine. Along with Gamco Corporation, 44 other firms are ranked on this year's list, including industry giants C.R. Laurence/U.S. Aluminum, EFCO, Kwaner, YKK and Wausau.
